

**DATE:** September 26, 2017  
**TO:** C<sup>17</sup> Council Executive and Directors  
**FROM:** Nada Jabado, Chair, C<sup>17</sup> Research Network

---

The C<sup>17</sup> Research Network is pleased to announce the call for members of the C<sup>17</sup> Research Network Committee in the following areas:

- **Clinical Research – Stem Cell Transplantation** (1 position)

We ask all who receive this call for nominations to help us to distribute it as widely as possible. Please forward the call for nominations to institutions, organizations and individuals who might be interested in posting and/or responding to it.

## Research Network Mandate

### Work of the Committee

The Committee meets yearly to:

- Conduct scientific review of grant applications to the C<sup>17</sup> Research Grant Competition, and make recommendations to the C<sup>17</sup> Directors and Executive Council regarding the awarding of the Research Grants
- Set strategic priorities for C<sup>17</sup> Research Activities
- The Committee also meets via email or teleconferences as needed, such as for the review of letters of intent.

## Members of the Committee

Members of the committee include those with experience in basic and clinical research who have established reputations in their respective fields, and who share a national vision for research. They will have an affiliation with one of the 17 centres or associated universities. Consideration will also be given to selecting members who represent large and small centres, and institutions across Canada.

**The Research Committee includes members with expertise in the following areas:**
